A group of students and staff are posed for a photograph in front of a large, two-story building with a prominent arched entrance. A banner is stretched across the front of the building, displaying the text "MAHARAJA RAJENDRA GROUP OF INSTITUTIONS". The group consists of many young people, mostly men, dressed in a variety of mid-20th-century clothing, including sweaters, button-down shirts, and trousers. Some individuals are standing in the front row, while others are slightly behind. The building's facade is light-colored, and the entrance is framed by a dark archway. The overall scene suggests a formal group portrait of the institution's personnel.
